

Summer TOTFA News

I hope everyone is having a good summer. The Belton contest over 4th of July came and went with hardly a notice. I was very disappointed in member turnout for one of our longest running contests. Adding money to the pot didn't have the result that I had hoped it would. Of the \$500 withdrawn to add to the contest, I deposited \$410 back into the bank account. I had asked the Belton organizers for more money in the future, but with a turnout of 11 members this year, I don't see that happening. A big thanks to the 10 of you who came out to support the TOTFA and the contest.

We have upcoming contests in October to support. Bowie seems to always have a successful turnout, due mainly to the hard work that Marty Elmore puts into the contest. Gilmer and Seguin are suffering in attendance. I have heard recently from the Seguin organizers, and they are concerned about losing funding in the future if attendance doesn't pick up. Please come out and support these communities that are making an investment in our organization. It is going to take more than a few directors and a handful of members to keep this organization going.

Stay in Tune,
